SQWASH
a lighthearted font
by Heather t.

oohlalaartsy.blogspot.com

Free for personal & commercial use

In a nutshell:
-Attribution: Sqwash, font by Heather T. (or Heather Taylor).
-License: This is a free font. Feel free to use it for personal or commercial
projects. However, this font MAY NOT BE SOLD in any compilation or on its own, and it
MUST be accompanied by this TOU for all redistribution.
-You may recolor, resize, or adjust any of the elements to your liking as long as it's
for personal use, and is not used in a way that may be construed as harmful or
prejudicial.
-Copyright and intellectual property relating to the font belong to Heather Taylor.
-NOTE: This font has OpenType required ligatures with the letters i, j, l, & r. They
seem to work in InDesign, but otherwise you can insert them using a character map.
-Please contact me at hlmtaylor@gmail.com should you have any questions or further
inquiries, and please look for more of my STUFF at http://oohlalaartsy.blogspot.com/ !

-Enjoy!
